Silver Earrings in a Day

Kay Rashka

July 3, 2010

9am to 1pm

Students choose their own fabrication designs for this class.

- Basic materials fee \$10 per student includes a comprehensive techniques and tools handout with a detailed part number listings of resources for tools and equipment.
- Small quantities of copper sheet provided free of charge for practice work and final projects.
- Sterling silver sheet and wire and fine silver wire available for purchase from instructor day of class for projects.
- Turquoise and Coral beads available for purchase as well if students want to incorporate them.

Checks payable to instructor accepted day of class. **Estimated total materials fee per student ranges from \$10-\$50.**
