Sampling Silver
Sylvia Youell
July 5-9, 2010
9am to 4pm

REQUIRED

- 2 sharpie fine marker pens to draw on metal
- paper
- scissors
- white glue
- pencils
- ruler
- tool box, shoe box or whatever for convenient portable storage

OPTIONAL

Metal working tools are provided but if you already own some bring them with your name clearly marked on them. Some of the most helpful are:

- needle files
- 8" half-round jewelry files with cut #0 and #2
- jewelry pliers (half-round/flat, chain nose, flat/flat, and round/flat)
- side or end cutters
- rawhide mallet

Supplies such as saw blades, silver, sanding sticks, stones, solder, flux and findings will be paid for by each student on an individual as needed basis.

Please bring a check.
