PAPER

The most important item is 300lb paper, my preference is 300lb hot press by Lana (Dick Blick carries it) or Arches cold press in #300, size 22" x 30"

PAINT (I prefer the Winsor Newton brand) in the following palette:

- burnt sienna
- ultramarine blue
- manganese blue
- yellow ochre
- Holbien bright violet
- Alizarin
- paynes grey
- brilliant orange
- cadmium yellow
- cadmium red
- cadmium light green

I will have my paints and am willing to share for the three days, so you don't have to have everything!

MORE THINGS TO BRING

- plastic palette with 2 by 2 inch areas.
- Kleenex
- drawing paper
- kneaded erasers
- #6 and #12 (or something close) round brushes are a minimum

I will begin with drawing and modeling demos.
